Remarks

Welcome to this well-maintained, single-level 2-bedroom, 1-bathroom home, where warmth and charm meet modern convenience. The light and bright floor plan is thoughtfully designed to maximize space and features wood laminate flooring, Hunter Douglas plantation shutters, ceiling fans, and dual-pane windows. The cozy living room seamlessly connects to the kitchen through a pass-through bar, creating a functional and inviting space. A versatile bonus room off the kitchen provides direct access to the garage and backyard, making it ideal for a playroom, home office, or den. Step outside to a spacious backyard with a private patio and mature trees, perfect for outdoor entertaining, gardening, or relaxation. Additional highlights include a newer roof, upgraded electrical, and numerous improvements throughout. A long driveway and attached one-car garage provide ample parking and storage. Conveniently located near shopping, dining, parks, Coddington Mall, Whole Foods Market, Snoopy's Home Ice & the Charles M. Schulz Museum, and public transportation, with easy access to Highway 101. This charming home is move-in ready and waiting for its new owners!
